World's First LED Driving Lamp

The much anticipated world's 1st LED driving lamp is now available. UK customers can purchase the lamps from any Wipac distributor; whilst International customers can purchase direct from the Wipac website.

The main application for this lamp is BMW Mini MK1/MK2 but is also universal fitting to any 12V vehicle. Sold in pairs, this lamp will be the first ever of its kind. The 9 LEDs output a distinctive bright white light
