RELEASE

World's First LED STEALTH Driving Lamp

The world's 1st LED STEALTH driving lamp is now available. This has been designed by the Wipac OE team and is the only completely black lamp available in the market. Using the latest diode technology, we have manufactured the 1st ever lamp to have a black reflector. UK public can purchase the lamps from any Wipac distributor; whilst International customers can purchase direct from the Wipac website.

Suitable for BMW Mini MK1/MK2 but is universal fitting to any 12V vehicle. Sold in pairs, this lamp will be the first ever of its kind. The 9 LEDs output a distinctive bright white light and the

lamps are road legal in Europe and USA.
